

K-LOVE serves me as a member of my community by broadcasting constant positive encouragement to me as a Federal Law Enforcement officer in a high-stress job. It would be detrimental to me and the entire Christian community if LPFM displaced KLOVE on the airways. It is in the best interest of the public to continue to broadcast KLOVE so officers like me can continue to have access to broadcast Christian encouragement regardless of where our jobs send us or what the dangers of the job may present.
